

Tropical tarte tatin

1 roll of puff pastry
500 g frozen crumble
mix – pineapple, apricot
& vanilla
50 g sugar
30 g chilled butter

METHOD. Over medium heat, cook the sugar for 5 to 7 minutes to a dark amber caramel. Turn off the heat and stir in the butter, and pour into a shallow baking tin. Add the frozen crumble mix, and place the puff pastry on top, folding the edges inward. Bake at 180°C in a preheated oven for 45 minutes. Let rest for one hour, then unmould onto a plate.
