

Sudachi Melonade

1l melon purée

1,5l water

freshly grated ginger

90g sudachi purée

portions

QS honey

ice cubes

fresh mint (garnish)

balled melon

(garnish)

METHOD. In a large pitcher, combine the melon puree and water. Stir well. Add the ginger and the sudachi puree portions and mix again. Sweeten the mocktail by adding honey to taste. Strain and put in the fridge to cool. Add ice to a glass and top with the melonade. Garnish with mint leaves and balled melon.
